

**Lauren Skinner**

**Principal Public Relations Representative**

---

## **BIOGRAPHY**

Lauren Skinner is a Public Information Officer with the Board of Public Works Public Affairs Office. In this position, she manages outreach for the Bureau of Engineering's Wastewater Program. The City's aging sewer system is in need of major work, either through rehabilitation efforts or complete replacement. Skinner and the outreach team work closely with the community to facilitate this process.

Skinner serves as Public Works representative for Council Districts 11 and 13, and is the community and media liaison for Hyperion Treatment Plant and the Department's High School Technical Competitions.

Before joining the Public Affairs Office four years ago, Skinner was an editor with Medical World Communications, a business-to-business magazine publishing company.

Skinner earned her bachelor's degree in English with an emphasis in writing from Loyola Marymount University in Los Angeles, with minors in Communications Studies and Psychology. She loves to travel with her husband Tim, and they reside in Pasadena where she enjoys cooking, reading and shopping.
