Greeting Card Recycling

Wondering what to do with all those thoughtful greeting cards you received during the holiday season? Recycle them! Send your old cards to the City Facilities Recycling Program at Mail Stop 508 and we will forward your donation to the Los Angeles Children's Museum. These cards will be used for arts and crafts projects and for remanufacture into new cards.

Holiday Ornament Contest

Once again, the City Facilities Recycling Program will be holding its annual Holiday Ornament Contest. To enter, simply craft an ornament out of recycled or reclaimed material. Submissions will be judged on theme, creativity, and use of recycled material. All entries will be displayed on the Christmas tree located in the lobby of City Hall South. One lucky winner will receive a custom gift basket. Please forward all ornaments to CFRP at MS#508 no later than December 23, 2005. Limit 3 entries per employee.
